---

## New Classes on Tuesday

---

### **Crazy Concoctions (Gr K - 3)**

Casey Couture (817) 368-3559

Students will jump into the world of organic chemistry at a pace that is suitable for elementary aged students. Students learn about basic facets of chemistry through hands-on interactions with materials. The class will explore ideas related to state of matter, chemical reactions, solutes, and solvents. This class is sure to pique the interest of children in the subject of chemistry.

**#SCI198 Tuesday, 1:00 PM-1:55 PM**

**Class Cost:** Cash \$65/Credit \$68

**Prerequisite:** None

**Enrollment Restrictions:** None

**Class Fees:** \$15 for children's PPE, chemistry glass, curriculum, and class materials

**Supplies:** None

### New Classes on Wednesday

---

#### **Bible Talk - A Second Look (Gr 9 - Adult)**

Bruce Tive (719) 641-7989

This course is a companion course to "Bible Talk-Know What You Believe." Although both courses are independent of one another, they are taught using the same basic theological and philosophical perspective. Various Christian doctrines and topics are covered in a systematic fashion. They are intended to help one learn to think logically and understand the Bible in a new way. Topics like Knowing God's Will, God's Hiddenness, Sin, How We Got the Bible, Tradition, Angels and Demons, Eternal Security, the Atonement, Why Jesus is the Only Way, End Times positions, and Putting Faith into Practice will be explored within the heritage of Christian history. Each presentation is given with colorful PowerPoint slides, videos, helpful illustrations, with associated handouts provided for note taking. It will be information that will be useful for your future understanding of the Bible. Discussion is encouraged. (Minimal homework will be given throughout the semester)

**#BWV125 Wednesday, 11:00 AM-11:55 AM**

**Class Cost:** Cash \$65/Credit \$68

**Prerequisite:** Basic understanding of the Bible. No childcare provided, please make other arrangements

**Enrollment Restrictions:** None

**Class Fees:** \$5 for class notes

**Supplies:** Notebook for archiving notes, pen or pencil

#### **Music – Joy of Song (Gr 3 - 5)**

Roxie Hebson (719) 675-0300

Students will learn several songs and a skit on the topic of gratitude to perform at the end of the semester. Students will be taught music and singing fundamentals such as vocal techniques, melody, harmony, rhythm and more throughout the semester. This class will give students an enjoyable opportunity to learn more about music and make music together. (Approx. 30 min of music practice at home each week. Parents should help students practice their music at home each week)

**#MUS138 Wednesday, 2:00 PM-2:55 PM**

**Class Cost:** Cash \$65/Credit \$68

**Prerequisite:** None

**Enrollment Restrictions:** None

**Class Fees:** \$8 for class folders and the music/accompaniment tracks for the performance

**Supplies:** None
