## PREMIUM CLASSES WITH DUAL-ENROLLMENT OPTION

High Country Home Educators is now partnering with Colorado Christian University's CCU Academy to provide Dual Credit class options to our families. Through our dual credit program, students can jumpstart their college degrees without leaving their high school/homeschool campuses. Colorado Christian University is a four-year liberal arts university accredited by the Higher Learning Commission; therefore, our credits transfer to many colleges and universities. CCU Academy desires to support students by offering college credit options taught from a Christian worldview—in keeping with CCU's mission to provide *Christ-centered higher education transforming students to impact the world with grace and truth.*

These classes are Premium Classes at High Country, and the cost will be \$85 (cash discount) or \$89 (credit) for each class hour, paid to HCEC. Dual Credit will be an additional **optional** add-on and the cost for Dual Credit (DC) is \$200 for 3 college credits from Colorado Christian University. Registration for CCU Dual Credit will take place in January, as the courses are full year courses, two semesters. You will need to register for the DC courses both semesters at High Country in order to receive Dual Credit. You do *not* have to pay for Dual Credit in order to take these Premium classes at High Country. College credit registration is optional. DC Classes are taught by highly qualified High Country faculty, approved by CCU .

Benefits of taking CCU Dual Credit courses:

- Higher GPA in college
- Affordable college credit that transfers nationwide
- Prepares students for rigors of college courses
- Enter college with general education and elective courses completed
- Shortens the time required to complete an undergraduate degree, allowing for the option of pursuing an additional major
